Waterjet West named to Top 500 Emerging Business List in the U.S. for 2009

San Marcos, California. May 2009. In recognition of the economic power of privately held businesses, DiversityBusiness.com, the nations' leading business-to-business internet site, recently named Waterjet West Inc. as one of the top businesses in the United States.

This is the 9th annual listing of the U.S.'s top 500 Emerging Businesses by DiversityBusiness.com. The companies listed represent the Nation's top multicultural earners and challenge the long-held notion that a privately held business is small or insignificant. Winners are sought after by major corporations wishing to increase spending with small businesses.

"Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

"As a small, woman-owned business we are very proud of what we have accomplished in just over three years and to be recognized for our efforts is very rewarding." said Jan Cormany, president of Waterjet West Inc. "Our team's expertise, quality workmanship and consistently high level of service to our diverse customer base is what has brought us success."

The List

This List is a classification that represents the top small businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural, small and women-owned businesses use the list. The List is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers.

The winning companies were honored at a special awards ceremony at DiversityBusiness.com's "9th Annual Multicultural Business Conference", which took place April 29 – May 1, 2009 at the Disney's Contemporary Resort in Orlando, Florida.
